60th ANNIVERSARY

FROM THE DEAN'S OFFICE

Archives
MSMC

Welcome again to all faculty, staff and new students. A special welcome back to returning students whom I have not had a chance to greet!

This year is the celebration of the Sixtieth Year of Mount St. Mary's College. Let us celebrate together the tradition of the Mount--all that has been--and let us begin anew to continue that tradition of excellence and community as we shape what will be.

There will be exciting events taking place to celebrate this anniversary year. We will keep you informed and hope that you will participate in as many as possible.

I look forward to this celebration year and hope that it will be a "celebrating" year for each of you. If I can assist you or make it a better year for you, please come by my office in #10 and ask any questions, offer suggestions or let me know your concerns.

A thought from the Hindu Saint, Kabir:

I laugh when I hear that the fish
in the water is thirsty.
You wander restlessly from forest
to forest while the Reality
is within your own dwelling.
The truth is here! Go where you will--
to Benares or to Mathura;
until you have found God
in your own soul, the whole world
will seem meaningless to you.

RE: Procedures in case of Major Fire or Earthquake

WHAT TO DO IN CASE OF FIRE:

1. At the first indication of a major fire, call the switchboard from the nearest inter-campus phone. Be sure to give exact location of the fire. Do not try to fight a major fire by yourself.
2. When notified to evacuate the buildings, do so immediately.
 - A. Bring your purse and car keys.
 - B. Bring a coat or sweater if you have one with you.
 - C. Rooms and offices should be left as follows:
 - lights on
 - all doors closed and unlocked
 - all windows closed
3. To evacuate the buildings, use the stairway nearest you. If any stairway is blocked, use the one nearest of access.
4. After leaving the building, proceed immediately to the street. You will receive further directions when you arrive there. DO NOT TRY TO LEAVE THE CAMPUS until you are authorized to do so.

WHAT TO DO IN CASE OF AN EARTHQUAKE:

The following instructions are for moderate, major and great earthquakes.

1. Inside any building--get into a doorway, under a heavy table, desk or bench. Stay away from windows, overhead lights, glass doors, outside walls, or anything made of brick or stone. If you can't walk because of the shaking, then crawl on all-fours. Watch for falling objects, such as ceilings, light fixtures, etc.
2. DO NOT TRY TO LEAVE THE BUILDING DURING THE QUAKE. Stay put until the building stops shaking--then find a safe way out. Once outside, proceed to the street or to any area that is open and away from buildings and overhead wires, which could fall on you.
3. If you are outside, remain there.
4. Stay outside until you receive directions. Once you are back inside, remember that there are usually several aftershocks, and although the intensity of these is less than the original quake, damage may still occur. Watch for falling objects and broken glass.

The following have the authority to call for evacuation of buildings in case of an emergency:

Sister James Marien
Sister Barbara Cotton
Dr. Teresa Keeler
Sister Rosanne Bromham
Mr. William Blundell

WHAT STAFF SHOULD DO AFTER AN EARTHQUAKE:

1. Check for injured persons, and when necessary, provide first aid. If anyone is seriously injured, don't move them unless there is danger of their being injured more severely.
CALL FOR HELP (PARAMEDICS - 384 - 3131 or 911)
2. Check for fires in the building, and any situation that could lead to a fire. If you smell something hot or burning, check it out carefully.
(FIRE DEPT. 483 - 6721 or 911)
3. Check the utilities and shut the gas OFF ONLY if there is a sign that it is leaking. If you can't smell gas or hear it leaking, assume it is all right. If gas is, or was, leaking, make sure there is no smoking or use of electrical appliances in the area to avoid fire.
4. If there are any water pipes damaged, turn off the main valve.
5. If there are any exposed wires or evidence of wires being shorted out, then turn off the electricity at the main box.
6. Check to be sure sewage lines are not damaged before using toilet facilities.
7. If you see the utilities outside the building are damaged (e.g. fallen wire), contact the authorities.
(DEPT. OF WATER AND POWER 481 - 4211)
(SOUTHERN CALIFORNIA GAS COMPANY 620 - 1440)
8. Don't enter any damaged building unnecessarily until you have assessed the situation. Allow no one into the building if you do not think it is safe.
9. Listen to the radio for official reports, information and instructions. Do not allow anyone to use the telephone except for reporting emergencies.

FROM THE DEAN'S OFFICE

A special thank you to all faculty, staff, and students who helped to plan the orientation for new students. Thank you to all who gave presentations, participated as Big Sisters, and who welcomed our incoming students.

Your prayers are requested for Sister Hildegard who is ill. We miss her and pray for her good health so that she may return to us soon.

FROM THE REGISTRAR'S OFFICE

Adding/Dropping classes: All undergraduates who want or need to change any of the classes for which they are registered are required to file an Add/Drop form, available from the Registrar's Office. You may add or drop classes without a fee through September 23rd. You must obtain signatures of the instructors of the classes you are adding and/or dropping, as well as your advisor's signature on the Add/Drop form, and file the form in the Registrar's Office. You will not be able to receive credit in any class for which you are not properly registered; failure to withdraw from a class you cease to attend may result in a grade of "F".

FROM THE OFFICE OF STUDENT SERVICES

DELTA Serving as the official hostesses for the Doheny Campus, the Deltas are a volunteer organization. Anyone interested in working as a Delta -- to take part as a tour guide, hostess, usher, server, etc. -- for the various campus functions, is invited to an organizational meeting this Wednesday, September 18, at 12 noon, in Donohue Conference Center. Please come -- or if you are unable, but still interested--have someone turn in your name. It is an excellent opportunity to get involved at Doheny!

I.D. CARDS Times are posted on the bulletin board in Bldg. 4 for the taking of I.D. pictures. Please check the sign and come to Bldg. 7 to get yours soon. This is your official identification card for use in the library, at the USC Health Services, to get on campus at night, etc. In other words, YOU NEED ONE!

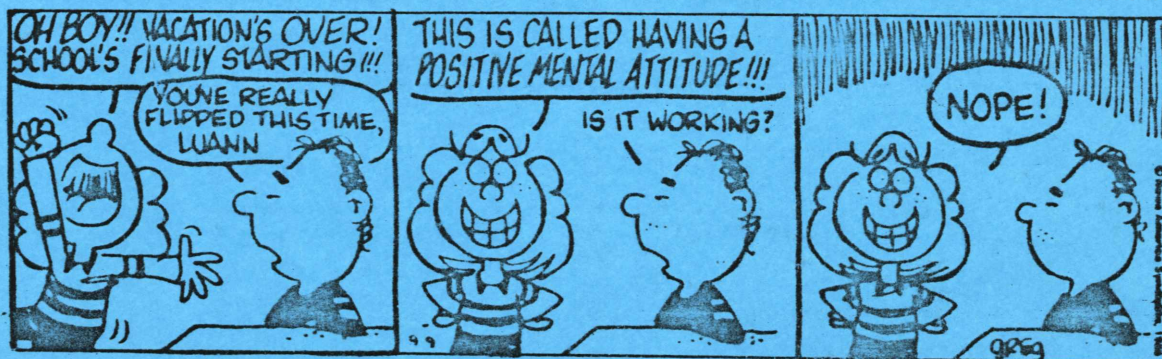

LOCKERS Anyone wishing a locker in Bldg. 4 for all those items you get tired of carrying around should come by Bldg. 7 to sign for one. These are a student service with no fee involved. (REMINDER: lockers are only given out for a year. Therefore, you cannot assume you have the same locker without checking it out and reserving it for yourself).

USC HEALTH FORMS ALL new Doheny students need to fill out an information form from the Health Service Office at USC. They must have one on file! Pick up your form today in Bldg. 7, fill it out, and return it to the same place. We must have one for you, even though you think you will never get sick this year! Your cooperation is appreciated. (Those of you who are returning and have already sent one to USC -- that is, if you did the correct thing last year! Did you?)

HANDBOOKS Handbooks for all A.A. and Baccalaureate students on the Doheny Campus are available in Bldg. 7 or on the table in Bldg. 4. Please pick yours up today and then be sure to read through it for important survival information at Doheny.

MEDICAL FORMS All students at the College are to submit a health record PRIOR to starting school. Some of you have not taken care of this matter and it is imperative that you do so immediately. Please take care of this through Office 4 in Bldg. 7 (If you are not sure if the form is in, please check it out. Most of the commuter students have not sent a form in).

STUDENT SERVICES If any of you have questions related to items which might be listed under Student Services, please be sure to drop by Bldg. 7 and ask. Included above are several of the necessary items, but you might have thought of one we've missed. Check it out!

FROM THE CAMPUS MINISTRY OFFICE

Thank you to all who shared in our Sunday afternoon liturgy. We are in the process of planning a 5:00 Saturday evening Mass, hoping that this will be a good time for anyone who may wish to come. Definite times will be posted. Everyone is welcome.

We are happy to inform you that Father Sylvester Ryan will be coming to celebrate the liturgy with us every Monday at 12:10 p.m. He will also be available from 1:00 p.m. to 2:00 pm. on those days to speak with anyone who may wish to see him.

This is National Hispanic Heritage Week. Check your guide for KCET special programming.

Don't forget the Campus Ministry meeting on Thursday, September 19, at 4:00 p.m. in the Campus Ministry Office, Bldg. 7. We need your help and your ideas! If you can't make it to this meeting, please come by the office and let Sister Kathleen Perry know you are interested.

Grant, O God, that
dreaming dreams and
seeing visions
I may turn thought into event
and idea into reality
And so creatively bless the world.
(Denis Duncan)

FROM RESIDENCE

MEAL CARDS If you have not yet taken care of getting a meal card, please come by Bldg. 7 right away. It is important to take care of this for the smooth running of the food service. Do your part!

RESIDENT HANDBOOKS If for some reason you were missed when the Handbooks were distributed in residence, please see your RA or drop by Bldg. 7 to pick one up. You are responsible for the information contained in the Handbook and so should have one for handy reference.

FROM THE ASB OFFICE

We have moved to a new location with more space to plan great activities. Come and meet with us on Thursday, September 19 from 12:00 p.m. to 1:00 p.m. in Ahmanson Commons. (Use the north door entrance, to the right as you face the front of the building.) If you are interested in working with us, but can't make it to the meeting, just let Kelly McVicker or Sister Kathleen Perry know. We look forward to meeting you!

On Tuesday, September 17th, we are having the Freshmen Welcome Barbeque from 4:00 p.m. to 7:00 p.m. in the pool area. This is your big chance to have upperclassmen wait on you! You don't want to miss it! All students, faculty and staff are invited. We hope to see you there!

Two can be a crowd!)

FROM THE DEAN'S ADVISORY BOARD

A special thank you to all faculty, staff and students who helped to make the Ice Cream Social a success.

If you are interested in joining the Dean's Advisory Board or would like to talk to someone about it, please contact Kelvinia Mejia in McIntyre - Rm. 105, Julie Cummins in McIntyre - Rm. 208, Rochelle Flowers in McIntyre - Rm. 105, or Traci Hammons in McIntyre - Rm. 107.

Your ideas and suggestions are welcome, and we would like more representation on the Board.

FROM THE CAMPUS MINISTRY OFFICE

We are happy that so many of you have expressed interest in Campus Ministry and have become involved in planning activities. Your generosity and spirit are wonderful!

The month of October is full of possibilities. RESPECT LIFE WEEK begins Octber 6th, WORLD FOOD DAY is OCTOBER 16th, and PEACE WITH JUSTICE WEEK is October 19-25. We are in the process of planning events, including an ecumenical service (discussion/prayer/sharing). Any ideas that you might share with us and time to help out would be greatly appreciated. CAMPUS MINISTRY IS FOR EVERYONE. You do not need to be Catholic.

Our prayer group will be meeting at 4p.m. this Tuesday, September 24th, in the Campus Ministry Office. This is an opportunity to support one another with prayer, to deepen our relationship with God, and a way to be with our brothers and sisters throughout the world who are in need of our compassion, our concern, our prayer.

A THOUGHT FOR THE WEEK

Sometimes we have little or no notion of the possibilities that exist in us. Our daily life may give few indications of who we really are. Neither do we just move from caterpillar to butterfly stage all at once. In some areas we have already found our wings; and in other areas we are suffering through ugly stages.

To fly, to be free, to release and nourish yourself, to be free to develop your potentialities, to be free to recognize and celebrate your accomplishments and those of others, is not a dream but a distinct possibility. It is our nature to fly.

(Recipes For Living And Loving)

FROM THE A.S.B. OFFICE

Thank you to all who helped with the Freshman Welcome Barbeque. The famous Doheny spirit continues on! This is only the beginning of great things to come!

Our next project coming up soon will be our Horizons booth. Look for posted meeting dates. Extra hands are always welcome!

Cathy Gonzalez is in the process of looking into the possibility of a yearbook for this year. Please let her know if you are interested. She can be contacted through the A.S.B. Office. A meeting is planned for Thursday, September 26th, at 12:30p.m.

FROM THE CAREER AND INTERNSHIP CENTER

Career Center In order to serve you better, we ask that you sign in when using the Career Center. One of the student workers will assist you in finding full-time or part-time work.

Internships Did you know you may be able to receive academic credit for an off-campus job you already have? Internship brochures describing "Partners In Education," the Doheny Campus Internships program, are available in Building 7. In addition, others Internships such as the following are available:

1. The National Organization for Women, Los Angeles Chapter, invites students to participate in an Internship Program. Internships are available in the following areas: public relations, political action, computer programming, business and office administration, and cable television production.
2. Women At Work is a Career and Job Resource Center in Pasadena with internships and volunteer positions available to advise and operate the center.

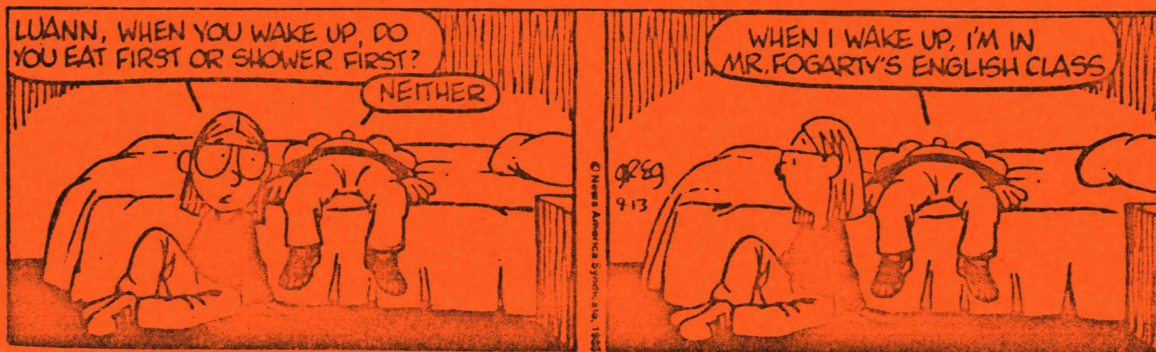

If you are interested in learning by doing through an Internship contact Dr. Keeler at the Career Center.

TO ALL DOHENY STUDENTS

Thank you for your many kind expressions of concern. I appreciate your messages, and I enjoyed very much the heart balloon and the big poster that brought so many of your names. It was a real treat.

God bless you and grant you a very good year.

Sister Hildegarde

FROM THE CAMPUS MINISTRY OFFICE

Welcome and thank you to our new members who prepared our wonderful liturgical celebration for Parent's Orientation: Terri Aceves, Lupe Barroso, Lucy Carbajal, Marta Chavira, Many Chang, Janet Chu, Natalie Cormier, Virginia Dupas, Michelle Frontino, Marybel Gallardo, Debra Garcia, Irene Gonzales, Marciela Hernandez, DeAnna Hooper, Kathy Medrano, Billie Purugganan, Mary Ann Sullivan, Gracie Torres, Jackie Velis and Carolyn Zuniga.

Anyone interested in receiving the sacrament of Baptism or Confirmation, or wanting to make general inquiries, please feel free to stop by the Campus Ministry Office and speak with Sister Kathleen Perry.

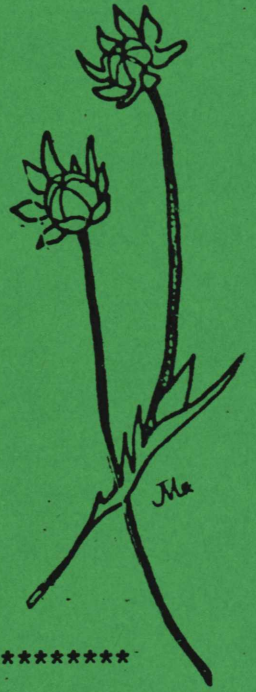

The Prayer Group will be meeting on Thursday evenings, beginning October 3rd, at 7:00 p.m. Our time together will include prayer and Scripture sharing. Anyone is welcome to join us at any time during the year.

Lord, make me an instrument of your peace.
Where there is hatred, let me sow love,
Where there is injury, pardon,
Where there is doubt faith,
Where there is despair, hope,
Where there is darkness, light.

O Divine Master, grant that I may not so much seek
To be consoled, as to console,
To be understood, as to understand,
to be loved, as to love.

For it is in giving that we receive,
It is in pardoning that we are pardoned,
And it is in dying that we are born to
Eternal Life.

FROM THE DEAN'S OFFICE

ORIENTATION THANK YOU to all faculty, staff, and students who helped to make our Parent's Orientation last Sunday such a successful day. The parents enjoyed the day very much and especially appreciated the students and parents who participated in the panels and discussion groups, those who planned the Mass, and the Choir who sang so beautifully. Thank you, too, to our Food Service who prepared such a delicious dinner.

HORIZONS THANK YOU to all who planned and organized our Celebration on Horizons Day. The Celebration of the Mount's 60 years gave us so many reasons to be proud of past achievements and to look with hope at the accomplishments that will be. Thank you to all who participated in the festival; I think all of us have an even deeper feeling for the community that is Mount St. Mary's College.

STEP EARLY WARNING NOTICES If you are experiencing academic difficulty, faculty will be giving you a STEP Early Warning Notice. It is only a warning and will give you a chance to improve academically by mid-semester.

RESPECT LIFE WEEK Our campus is celebrating Respect For Life Week. Displays, activities, prayer services, liturgy and other ways to contemplate the dignity of life will be about campus. We hope that this week will be just the catalyst for deepening our concepts and understanding of this most important topic and that activities throughout the year will remind us of it. Please see the Campus Ministry article for specific Respect for Life program information.

Dr. TERESA KEELER will be participating in two national organizations' meetings in October. First, on October 17, Dr. Keeler will deliver a paper, "Applied Folkloristics in a College English Curriculum: Teaching Students to Write through Personal Experience Narrating" at the American Folklore Society Meeting in Cincinnati, Ohio.

On October 18, Dr. Keeler will be in Pittsburgh, Pennsylvania, to present a Feature Session at the 1985 NSIEE Conference (National Society for Internships and Experiential Education). Dr. Keeler's workshop is entitled "Brain Laterality and Communication Skills: Using Storytelling and Mind-Mapping to Integrate and Articulate Experience".

FROM THE REGISTRAR'S OFFICE

TO ALL STUDENTS PLANNING TO GRADUATE DURING THE 1985/86 ACADEMIC YEAR:

Degree applications were mailed last week to all students classified as sophomores. To be eligible for graduation, each student must file the application in the Registrar's Office and pay a graduation fee of \$55.00. Students graduating at the end of the Fall semester or at the end of Interterm must file no later than October 22, 1985. Students graduating in May must file by November 22, 1985. Any student planning to graduate who has not received the application in the mail may come and get one from the Registrar's Office.

FROM THE CAMPUS MINISTRY OFFICE

During RESPECT FOR LIFE WEEK we are reminded that all human life is a precious gift and that each of us is called to nurture and nourish that life wherever we encounter it.

Potential. It cannot be defined or standardized. Or predicted in advance. Potential is the best that each of us can be. And it begins at the moment of conception.

We have planned a few events this week to raise our awareness and to come together to support one another in our efforts:

Tuesday, October 8, 7-9p.m. in Donohue Conference Center, staff members from both Juvenile Hall and the Sonshine Company will present slides and share some of their experiences in working with young people in detention and the "Big Brother/ Big Sister" program.

Thursday, October 10, 12:00-12:30p.m. in Donohue Conference Center, the United Way film and presentation will explain how funds raised through this agency are used by people very close to us, and how we personally can be involved.

Thursday, Octoberr 10, 7:00-7:30p.m. in the Castle Lounge, join us to pray for those in need and that all people will work together to promote that which is life-giving in our world today.

"I choose life when I take my stand for life, when I have faith that no condition is beyond God's power to heal..."

FROM THE HISPANIC PASTORAL MINISTRY OFFICE

Through your contributions, Mount St. Mary's College can participate in the relief efforts for Mexico. Your cash or check contributions can be put in Pilar Aquino's mail box. Checks can be made out to American Red Cross with the memo indicating "Mexico Earthquake".

We thank you for your contribution. No contribution will be refused, no matter how small. The total amount of contributions will appear in a later issue of the Mount's publications.

We hope as many as possible will participate in this campus-wide effort.

(Pilar Aquino is coordinator of the Hispanic Pastoral Ministry Program, Graduate Program in Religious Studies.)

FROM THE STUDENT SERVICES OFFICE

A CELEBRATION THANK YOU! A large-sized THANK YOU is in order for all those who worked on this year's HORIZONS '85 to make it such a big success. Special thanks go to Nan Krakow and Claudia Reed for all their efforts, and to Desiree Ertle and Cynthia Johnson from Doheny who made it all come together. The Committee especially wants to thank Father Ryan, Dr. Keeler, and Irma D'Antonio who contributed to the program of the day, and the Doheny ASB for providing the popcorn and ring toss booths at the Carnival. When all the work and time were put together last Wednesday, we really had a wonderful Mount Birthday Celebration! Thanks to all!

RED CROSS BLOOD MOBILE The date is right around the corner--next week in fact! Reserve the date and sign up now -- appointment sheet is in Bldg. 7, on the board in Bldg. 4, or from one of the recruiters on campus. Your help is needed to make this event a big success. Sign today and be there on Monday, October 14--times available from 9:30 a.m. to 2:30 p.m.--the place is Donohue Conference Center. Help others during the Respect Life Month.

We express our sympathy to Eugenia Sabado, a member of the staff of our Child Development Center, and to her family on the occasion of the death of her father, Sebastian. May he rest in peace.

REMINDER TO ALL THOSE IN GROUP EXPERIENCE: Group Experience will meet as a large group on Monday, October 7th, for a Stress Management Workshop. The workshop will be held in Donohue Conference Center, in Building #15, from 12:00-1:00 p.m. Please remember to bring a large towel to sit on. All are required to attend.

FROM THE A.S.B. OFFICE

A special thank you to Dianna Fowler for coordinating the popcorn booth for Horizons and to all of you who indulged your appetites! Half of the proceeds will be going to the United Way fund drive that begins this week.

FROM THE DEAN'S ADVISORY BOARD

At the Dean's Advisory Board meeting on September 26th, several projects were discussed: Student of the Month, Faculty/Staff of the Month, Commuter Lunches, and a way to get constructive criticism about the Food-Service.

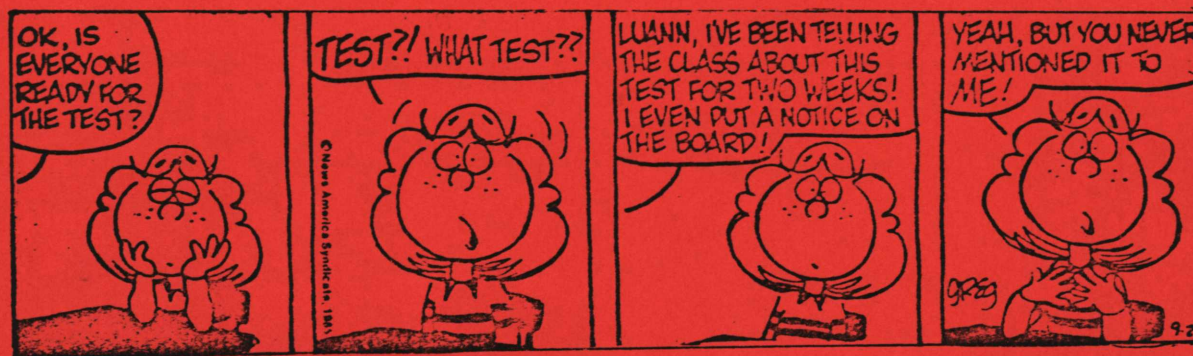

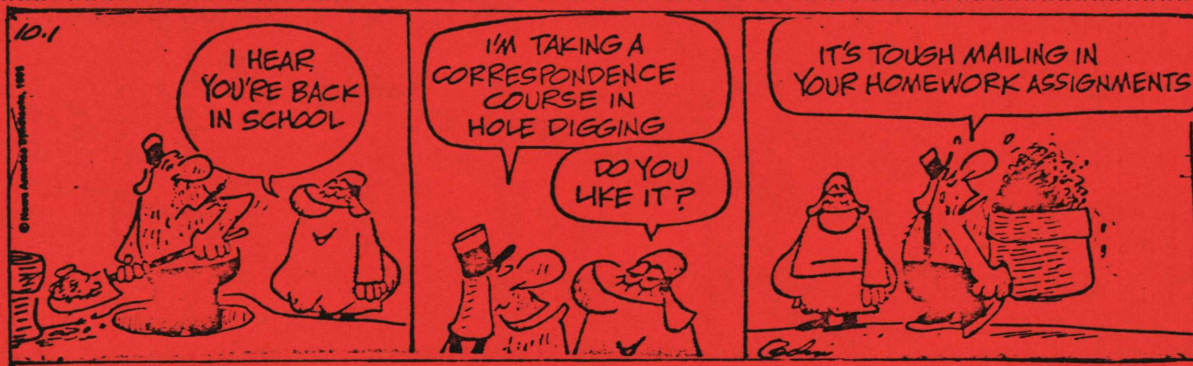

The food committee is in charge of putting up posters on which the students can check off their likes and dislikes. It was also decided that once a month the Dean's Advisory Board would sponsor a commuter lunch. The commuter lunch is going to be a random drawing of names, so look for posters.

The Student of the Month is designed to give special attention to outstanding students either socially or academically. The Faculty/Staff of the Month differs in that it is intended to be a spot-light on individual teachers to help the students become more familiar with the faculty and staff.

FROM THE CAREER AND INTERNSHIP CENTER

CAREER CENTER The center has been busy helping students find jobs near the campus. For best results, check the job board weekly for new listings.

INTERNSHIPS PLAN AHEAD! If you are interested in an Internship at Interterm or Spring, make an appointment in Building 7 to discuss possibilities with Dr. Keeler or stop by during her office hours 10:30 - 11:30 a.m. Monday, Tuesday, Wednesday and Friday.

Respect Life

Illustration by Carol Schwartz

God calls us in this historic moment to create a new caring community. . . . If we shirk our responsibility, there is no one to make it up for us, no one to contribute what we have to contribute.

Responsibility. It is more than obligation or duty. It is the ability to respond to need. Responsibility is the mission and challenge of each of us. It preserves our past and guarantees our future. It is life itself.

"The poor . . . are your brothers and sisters in Christ. You must never be content to leave them just the crumbs from the feast. You must take of your substance and not just of your abundance in order to help them."

Pope John Paul II, 1979

DOHENY STUDENTS, FACULTY, AND STAFF - COME AND CELEBRATE!

Tomorrow, October 15, is a threefold day of celebration. First, it is the day on which the Sisters of St. Joseph Community was founded in France, in 1650. Second, we, the Sisters, are celebrating the 150th anniversary year of our presence in the United States. Lastly, this date marks the actual 60th anniversary of the founding of Mount St. Mary's College by the Sisters of St. Joseph.

To help us commemorate these three significant events, we invite each of you to a special Mass tomorrow, at 4:30 p.m., in the Chapel. Please come, celebrate, and give thanks with us in prayer and song.

The Sisters of St. Joseph at Doheny

FROM THE DEAN'S OFFICE

COMMUTER STUDENTS are welcome to use Donohue Conference Center in McIntyre Hall for quiet study or rest. There may be times when the Wigwam becomes too noisy, and Donohue is usually free during the day. So please use Donohue whenever you need to.

There are mailboxes in the Wigwam for COMMUTERS, and you are asked to check them occasionally. These are drawers marked alphabetically. Messages will either be in the drawers or on the 48 hour board so please check that too.

A REMINDER! TURN IN NAMES of STUDENT/FACULTY OF THE MONTH. Forms were attached to last week's Doheny Happenings.

FACULTY FORUM: Dr. Judith Ramirez from California State University, Fullerton, will speak on "The Feminine Voice" in Donohue Conference Center at Doheny on Monday, November 4, from 11:30 a.m. to 1:00 p.m. Dr. Ramirez has done research on Carol Gilligan's studies of women's moral development. These studies are very important to us as a women's college and the talk and discussion should be extremely interesting. I hope as many as possible will take advantage of the opportunity. This topic was the one most faculty/staff selected from the response sheets.

Sister Kathleen Kelly, Dean

FROM THE ADVISEMENT CENTER

ENGLISH SHAKESPEAREANS AT THE MOUNT

As Mount St. Mary's College celebrates its sixtieth birthday this year, part of our celebrating will include a week-long residency in November of five actors from the Royal Shakespeare Company. These English Shakespeareans will appear in many classes on both campuses to analyze and play scenes from Shakespeare and to talk about their craft, but the most exciting part of their stay at the Mount will be their five public performances (November 12 - 16): King Lear, Pinter This Evening, a one-actor presentation of Beowulf (at Doheny), and the two-actor Triumph of the Phoenix (based on D.H. Lawrence's poetry and letters and on Frieda Lawrence's memoirs).

Students, faculty, and staff will be able to purchase tickets to the two full-length plays at \$5.00, two-thirds off the general admission price. There will be no admission charge for the one and two-actor productions, but tickets will be necessary.

You can order tickets by using the convenient order forms available at the switchboard in Bldg. 10, the residence desk in McIntyre Hall, or the reception desk in Bldg. 7.

MID-SEMESTER NOTICES During the next two weeks, instructors will be issuing mid-semester notices to students who are not achieving a "C" or better in their classes. Instructors will assess the cause of the difficulty. Students should see their instructor if they have any questions. There is still time to improve the grade before the end of the semester. Students should make use of all the helps available: the instructor's assistance, the Learning Resource Center, tutors, study groups, etc.

From Higher Education and National Affairs - Sept.10, 1984

(DOES THIS DESCRIBE YOU?)

Freshmen Expectations "too great" - Research has indicated that college freshmen have unrealistically high expectations for themselves. In a sampling of 18,000 incoming freshmen at Penn State during the last two years, nearly the entire freshmen class - 89% said they expect to have a "B" grade point average at the end of their first year of study. Yet, researchers say, an equal percentage of students had not maintained a "B" average in high school.

"They seem to expect some magical transformation," said James J. Kelly, Academic Information Program Coordinator in the Division of Undergraduate Studies. Kelly said approximately 90% of the incoming freshmen at Penn State have filled out an Educational Planning Survey during the last two years.

The survey also showed that while 67% of incoming freshmen spent 10 hours a week or less studying in high school, 96% believe their study skills are "excellent to good", Kelly noted. "However, 61% estimate that they will study 20 hours or less per week, when, in fact, it is important for students to recognize that going to college is a full-time job requiring a minimum of 40 hours a week between classes and study," he said.

FROM THE CAMPUS MINISTRY OFFICE

This is PEACE WITH JUSTICE WEEK. The theme this year reminds us that if all people, those next door to us as well as those who are oceans away, were treated justly and given all that is rightfully ours as human beings, peace would prevail in our world. Our call then is to work for justice, and in so doing we will bring peace.

"Integrity will give peace,
Justice give lasting security
My people will live
in a peaceful country."

Isaiah 32: 17-18

On Tuesday, October 22, at 2:15 p.m., a group of us will be going to the Campus Ministry Center at USC to meet with Sister Angela to discuss ways that we might share activities with them. We are moving into the last week of the UNITED WAY campaign. We have almost reached our goal, but not quite. Please be generous. This is a wonderful way to thank God for the GIFT OF HEALTH that is yours!

I discover myself through others.
What goes on between me and others
helps to shape and change me
more than I realize.

In the same way,
I help to shape others,
especially those people
with whom I am in daily contact.
I can be greedy or generous;
I can fail to encourage others
or cooperate with them.
Whatever I do has its effect
on the climate that exists around me.

I can often see myself--
the way I really am inside--
by looking at others.
And others, if they look closely,
can see themselves in me.

Ali Jaeger

Teaching is one of the highest, most rewarding forms of service one can choose. Due to the shortage of qualified people and increasing student enrollment, teaching is rapidly becoming a prime area for employment and growth opportunities. We in the Education Department at Mount St. Mary's College welcome students in major subject areas to qualify for the California State Single Subject Teaching Credential, by taking the prescribed education courses as electives, if you are beginning or continuing your undergraduate studies. The Single Subject Credential authorizes teaching of junior and senior high school students in the subject area. FOR MORE INFORMATION, CONTACT DR. JOEL LEVINE, DIRECTOR OF TEACHER EDUCATION at Mount St. Mary's College, Doheny Campus, Building #10, extension #2226.

TUESDAY	FEBRUARY 11, 1986	12:00 noon and 5:00 p.m.

FROM THE ASB OFFICE

As you may have guessed from the Team Sports Interest Surveys, we have made available to you, we are trying to respond to your requests for more team sports. Many of you have returned them to us, and that is very helpful; but we do need to hear from more of you so that we can make more definite arrangements. It looks as if we will be able to have both basketball and volleyball available to you in the spring semester.

Any student who has a WSI in swimming or who played varsity volleyball or basketball in high school, please contact Sister Kathleen Perry at her office in Bldg. 7, Ext. 22124.

Remember our upcoming D A N C E on November 22 that we are co-hosting with Campus Ministry. See Campus Ministry notes in this issue of Doheny Happenings for details.

We understand that you were THRILLED TO DEATH with our horror movie. Never fear! There is much more to come!

FROM THE CAMPUS MINISTRY OFFICE

THANK YOU to all of you who have returned our surveys. We would love to hear from the rest of you! If you have lost your form, please feel free just to flag one of us down, or pick up a form at our bulletin board in Bldg. 4 or in Ahmanson Commons. The Campus Ministry Office in Bldg. 7 is almost always open during the day, so please drop by if you wish.

A series of three conferences will be held at Cal Poly, Pomona, on November 16, February 1, and April 26. The topics in reference to the Decade for Women are Equality, Development, and Peace. For more information, please refer to the flier posted on the Campus Ministry bulletin board. If you are interested in attending, please contact Sister Kathleen Perry. If you want to go, but the fee is a problem, arrangements can be made. Just come by the Campus Ministry Office.

The CHRISTMAS-IN-NOVEMBER TOYS-FOR-TOTS DANCE is scheduled for Friday, November 22, in Donohue Conference Center. You may want to plan ahead to shop for your admission of one new toy. The group that made the request for toys is called The Flying Samaritans. They fly toys into Tijuana to give to the children living in Mexico for Christmas. They have asked that the toys be new but simple, that is, not battery-run or with many small parts that may break easily or need to be replaced, since the families of the children who will receive these do not have money for batteries or repairs. If you wish, you may wrap the toy and mark it "boy" or "girl" along with the general age for which it would be appropriate, e.g. "girl, 4-5". We are sure you already know how much these little children will TREASURE your gift!

Hope means to keep living
amid desperation
and to keep humming
in the darkness.
Hoping is knowing that there is love,
it is trust in tomorrow
it is falling asleep and waking again
when the sun rises.
In the midst of a gale at sea,
it is to discover land.
In the eyes of another
it is to see that she understands you.

As long as there is still hope
There will also be prayer.

And God will be holding you
in his hands.

A reflection from St. Paul:

Love is patient. Love is kind. Love is not jealous; it does not put on airs; it is not snobbish. Love is never rude; it is not self-seeking; it is not prone to anger; neither does it brood over injuries. Love does not rejoice in what is wrong but rejoices with the truth. There is no limit to love's forbearance, to its trust, its hope, its power to endure. Love never fails.

FROM SISTER TERESITA

For centuries, music has been performed for the assistance and betterment of humankind. As you know, G.F. Handel's great oratorio Messiah was performed in its day as a benefit to secure funds for the Foundling Hospital in London. Of late, performances of both classical and contemporary music have been given to alleviate extreme conditions on the Africa continent.

On November 15 at 7:30 p.m., a benefit performance will be given at Corpus Christi Church in Pacific Palisades. The beneficiary of this performance will be The St. Joseph Center located in Venice, California. Conducted by the Sisters of St. Joseph, this center provides food, clothing, housing, and job assistance to more than 1,000 families and homeless individuals each month. The beautiful masterpiece chosen for this benefit is J.S. Bach's Mass in B minor with choir members of Corpus Christi Church, U.S.C., St. Alban's Episcopal Church, St. Philip's Church, and St. Andrew's Presbyterian Church, and conducted by Ronald Doiron.

Tickets for the benefit performance are \$12.50 and reservations should be made by November 13. If you would like to reserve tickets, please make checks payable to St. Joseph Center Benefit, and send to Sister Teresita's mail box (#120 Chalon) by November 13. Contributions to this benefit are tax deductible. Corpus Christi Church is located at 887 Toyopa Drive, Pacific Palisades.

WOMEN'S COLLEGE GRADUATES: SATISFIED AND SUCCESSFUL
(from Glamour Magazine, July, 1985)

A new study of two "generations" of women's college graduates gives these single-sex schools the highest praise of all: Most respondents would attend the same college if they had to choose again.

"This survey amounts to a major vote of confidence for the learning environment at women's colleges," says Patti McGill Peterson, Ph.D., president of Wells College and chair of the Women's College Coalition, which conducted the survey.

The Coalition surveyed nearly 5,000 graduates from forty-eight women's colleges in the U.S., focusing on the classes of 1967 and 1977. The study was intended to find the connection, if any, between the women's college experiences and their subsequent life experience, focusing on such factors as their careers, earnings, marital status and community/political involvements.

The typical graduate of a women's college, the study found, is a liberal arts major, married and employed full-time. Women in the class of '77 are marrying later than the class of '67 graduates did. In the class of '67, 73% have children compared with 27% of the class of '77.

About two-thirds of both classes believe they have achieved recognition in their fields. Ninety percent are involved in at least one community activity or professional organization. Forty three percent of the alumnae who work hold traditionally male-dominated jobs, such as lawyer, physician, manager or computer specialist; 81 percent have extended their education beyond undergraduate degrees.

The survey is encouraging for women's colleges, many of which have restructured their programs to include business administration and computer majors, and have established alumnae networks to help graduates find jobs. These changes have paid off: During the past fifteen years, women's college enrollment has steadily increased.

FROM THE "HEALTH SERVICE" OFFICE

INCREASE IN FEES FOR SPRING

Due to the growing use of the USC Health Service facilities by the Doheny students, the Director has increased our fees to match that of the USC student. Beginning in the Spring Semester, the fee will be \$73.00. While we regret the increased amount, we do realize that the services provided by USC in the health, counseling, and legal areas are well worth the cost. We recommend that you take full advantage of the services they offer and "get your money's worth". (The fee was to have been increased this Fall, but we were able to get the delay due to the late notice.) This fee is part of your Spring invoice and is taken care of as you pay your fees and tuition. The increase applies to all Doheny residents, all A.A. program students, and the nurses in Level I and II. (If there are any questions, please see Sister James Marien.)

FROM THE ASB OFFICE

Thursday, December 5, is our Christmas Movie Night in the Lecture Hall from 8:00 - 10:00 p.m. You won't want to miss it!

Poster paper 12 X 18 is available for purchase in our office for your convenience.

FROM THE DEAN'S ADVISORY BOARD

There will be a "Christmas-Gram" sale starting December 2 through the 13. This will be in front of Bldg. #4 and #11 on Mondays, Wednesdays and Fridays 11:00 - 12:00 noon and Tuesdays and Thursdays from 12 noon to 1 p.m. Buy one for your friend and wish her a Merry Christmas.

FROM THE CAMPUS MINISTRY OFFICE

Thanks to the generosity of all of you who enjoyed the Toys-for-Tots Dance, we are sending quite a pile of new toys and a check for \$100.00 to the Flying Samaritans to distribute to the children in Tijuana for Christmas. You have made many little ones very happy. THANK YOU FOR SHARING THE SPIRIT OF CHRISTMAS!

On Tuesday, December 10, Sr. Angela and students from USC will be joining us for a Reconciliation Service in our Chapel from 7:00 - 8:00 p.m., followed by refreshments. Everyone is invited to come!

Today, Monday, December 2, we will have the film "Roses in December," commemorating the four American women martyrs who died in El Salvador. It will be in Donohue Conference Center from 7:00 - 8:00 p.m.

Those of you who dine in Ahmanson Commons will notice the Advent Wreath in the lobby as you enter the building. The four candles are lit each week, commemorating the many years the people of the Old Testament waited for the Messiah, the one who would save them from their captors. It is a reminder to us that the Lord Jesus comes to us today, wanting to free us from all that holds us captive in our lives. It is a time of personal renewal, that we may celebrate with deep joy the very special feast of Christmas.

O Emmanuel,
King and hope of nations
and Savior of all people:
Come to free us, Lord, do not delay,
Come, O Lord, come, save your people!

FROM THE CAMPUS MINISTRY OFFICE:

Sr. Angela and students from USC will be joining us for a reconciliation service at 7:00 p.m. on Tuesday, December 10 in the Chapel. EVERYONE IS WELCOME. YOU DON'T NEED TO BE A CATHOLIC. This is an opportunity for you to reflect on your relationships with others, to pray for healing of any past hurts, and to deepen your awareness of the presence of God in your life. You are invited to stay for refreshments afterwards.

Volunteer service agencies are constantly looking for willing helpers. If anyone is interested, please contact Sr. Kathleen Perry in Bldg. 7. We would like to commend LISA RAIGOSA, IRSIA MONZON, SOFIA INIGUEZ, LUPE PRADO, and CAROLYN ZUNIGA, who have been volunteering at Juvenile Hall the past few months. This is a wonderful way to share the love you have experienced in your life with young people who have not been so fortunate.

An Advent thought...

Above all, trust in the slow work of God. We are impatient of being on the way to something unknown, something new.

And yet it is in the law of all progress that it is made by passing through some stages of instability--and that may take a very long time--and so it is with you. Your ideas mature gradually--let them grow, let them shape themselves without undo haste. Don't try to force them on, as though you could be today what time will make you tomorrow.

Only God could say what this new spirit, gradually forming within you, will be. Give him the benefit of believing that his hand is leading you surely through the obscurity and the becoming, and accept for love of him the anxiety of feeling yourself in suspense and incomplete...

How to read faster

By Bill Cosby

International Paper asked Bill Cosby—who earned his doctorate in education and has been involved in projects which help people learn to read faster—to share what he's learned about reading more in less time.

When I was a kid in Philadelphia, I must have read every comic book ever published. (There were fewer of them then than there are now.)

I zipped through all of them in a couple of days, then reread the good ones until the next issues arrived.

Yes indeed, when I was a kid, the reading game was a snap.

But as I got older, my eyeballs must have slowed down or something! I mean, comic books started to pile up faster than my brother Russell and I could read them!

It wasn't until much later, when I was getting my doctorate, I realized it wasn't my eyeballs that were to blame. Thank goodness. They're still moving as well as ever.

The problem is, there's too much to read these days, and too little time to read every word of it.

Now, mind you, I still read comic books. In addition to contracts, novels, and newspapers. Screenplays, tax returns and correspondence. Even textbooks about how people read. And which techniques help people read more in less time.

I'll let you in on a little secret. There are hundreds of techniques you could learn to help you read

faster. But I know of 3 that are especially good.

And if I can learn them, so can you—and you can put them to use *immediately*.

They are commonsense, practical ways to get the meaning from printed words quickly and efficiently. So you'll have time to enjoy your comic books, have a good laugh with Mark Twain or a good cry with *War and Peace*. Ready?

Okay. The first two ways can help you get through tons of reading material—fast—*without reading every word*.

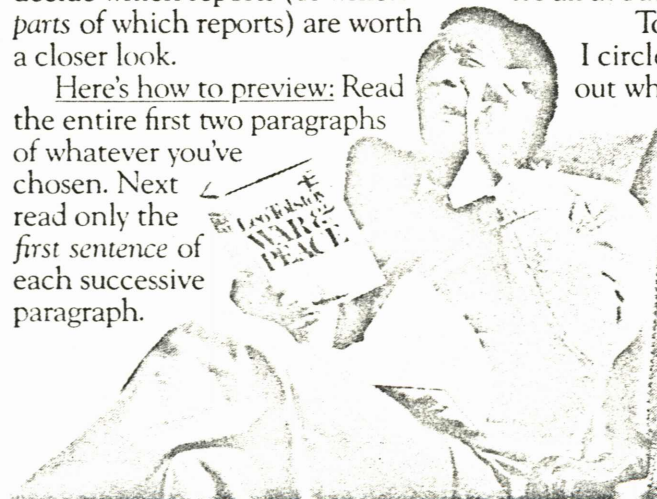

They'll give you the *overall* meaning of what you're reading. And let you cut out an awful lot of *unnecessary* reading.

1. Preview—if it's long and hard

Previewing is especially useful for getting a general idea of heavy reading like long magazine or newspaper articles, business reports, and nonfiction books.

It can give you as much as half the comprehension in as little as one tenth the time. For example, you should be able to preview eight or ten 100-page reports in an hour. After previewing, you'll be able to decide which reports (or which parts of which reports) are worth a closer look.

Here's how to preview: Read the entire first two paragraphs of whatever you've chosen. Next read only the first sentence of each successive paragraph.

"Learn to read faster and you'll have time for a good laugh with Mark Twain—and a good cry with *War and Peace*."

Then read the entire last two paragraphs.

Previewing doesn't give you all the details. But it does keep you from spending time on things you don't really want—or need—to read.

Notice that previewing gives you a quick, overall view of *long, unfamiliar* material. For short, light reading, there's a better technique.

2. Skim—if it's short and simple

Skimming is a good way to get a general idea of light reading—like popular magazines or the sports and entertainment sections of the paper.

You should be able to skim a weekly popular magazine or the second section of your daily paper in less than *half* the time it takes you to read it now.

Skimming is also a great way to review material you've read before.

Here's how to skim: Think of your eyes as magnets. Force them to move fast. Sweep them across each and every line of type. Pick up *only a few key words in each line*.

Everybody skims differently.

You and I may not pick up exactly the same words when we skim the same piece, but we'll both get a pretty similar idea of what it's all about.

To show you how it works, I circled the words I picked out when I skimmed the following story. Try it. It shouldn't take you more than 10 seconds.

My brother (Russell) thinks monsters live in our bedroom closet at night. But I told him (he is crazy).

"Go and check then," he said.

(I didn't want to.)

Russell said (I was chicken).

"Am not," I said.

"Are so," he said.

So I told him the monsters were going to eat him at midnight. He started to cry. My Dad came in and told the monsters to beat it. Then he told us to go to sleep.

"If I hear any more about monsters," he said, "I'll spank you."

We went to sleep fast. And you know something? They never did come back.

Skimming can give you a very good idea of this story in about half

"Read with a good light—and with as few friends as possible to help you out. No TV, no music. It'll help you concentrate better—and read faster."

the words—and in less than half the time it'd take to read every word.

So far, you've seen that previewing and skimming can give you a general idea about content—fast. But neither technique can promise more than 50 percent comprehension, because you aren't reading all the words. (Nobody gets something for nothing in the reading game.)

To read faster and understand most—if not all—of what you read, you need to know a third technique.

3. Cluster—to increase speed and comprehension

Most of us learned to read by looking at each word in a sentence—one at a time.

Like this:

My—brother—Russell—thinks—monsters...

You probably still read this way sometimes, especially when the words are difficult. Or when the words have an extra-special meaning—as in a poem, a Shakespearean

play, or a contract. And that's O.K.

But word-by-word reading is a rotten way to read faster. It actually cuts down on your speed.

Clustering trains you to look at groups of words instead of one at a time—to increase your speed enormously. For most of us, clustering is a totally different way of seeing what we read.

Here's how to cluster: Train your eyes to see all the words in clusters of up to 3 or 4 words at a glance.

Here's how I'd cluster the story we just skimmed:

My brother Russell thinks monsters live in our bedroom closet at night.

But I told him he is crazy.

"Go and check then," he said.

I didn't want to. Russell said

I was chicken.

"Am not," I said.

"Are so," he said.

So I told him the monsters were going to eat him at midnight.

He started to cry. My Dad came in and told the monsters to beat it.

Then he told us to go to sleep.

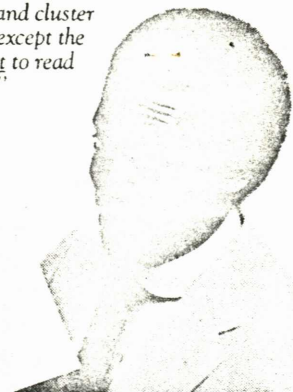

"If I hear any more about monsters," he said, "I'll spank you."

We went to sleep fast. And you know something? They never did come back.

Learning to read clusters is not something your eyes do naturally. It takes constant practice.

Here's how to go about it: Pick something light to read. Read it as fast as you can. Concentrate on seeing 3 to 4 words at once rather than one word at a time. Then reread

"Preview, skim, and cluster to read faster—except the things you want to read word for word."

the piece at your normal speed to see what you missed the first time.

Try a second piece. First cluster, then reread to see what you missed in this one.

When you can read in clusters without missing much the first time, your speed has increased. Practice 15 minutes every day and you might pick up the technique in a week or so. (But don't be disappointed if it takes longer. Clustering everything takes time and practice.)

So now you have 3 ways to help you read faster. Preview to cut down on unnecessary heavy reading. Skim to get a quick, general idea of light reading. And cluster to increase your speed and comprehension.

With enough practice, you'll be able to handle more reading at school or work—and at home—in less time. You should even have enough time to read your favorite comic books—and War and Peace!

FROM THE STUDENT SERVICE AREA

REPORT TIME: All Deltas are reminded to turn in their record sheets before leaving for vacation. You can hand into receptionist's desk in Building 7 before Friday.

THANKS! Many Thanks in big letters to all those Deltas who have given so generously of their time during the Fall semester. The hours spent in serving, ushering, smiling, and just doing all the "little" things have been very appreciated. We look forward to even more hours of Doheny service in Interterm and Spring. THANKS AGAIN TO ALL OF YOU!

"TIS THE SEASON"...for giving and sharing! The American Red Cross has sent out an urgent message to all of their volunteer groups -- of which Doheny is one -- that the holiday season is one of the most "needy" times for blood donors to be generous. During the holiday season, and especially at the first of the year, there is an increased demand for donors. Due to the AIDS panic, many people have not been giving for fear of some kind of "catching it". However, this is not the case: you cannot get AIDS from donating! The Red Cross needs you. In the spirit of the season, call your local office and make an appointment over the holidays! Give the gift of life --the most precious gift of all!

FROM THE BLACK STUDENT UNION

The Black Student Union Members would like to wish everyone a Merry Christmas and a Happy New Year.

THE DOHENY HAPPENINGS staff wish all of their readers and contributors a joyfilled Christmas and a peacefilled New Year!

CHRISTMAS A RELIGIOUS FEAST

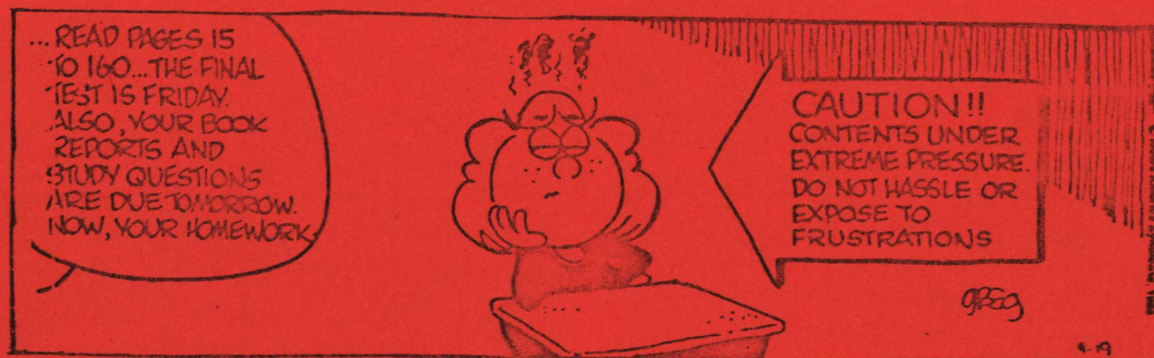

For those who may not know the meaningful origins of traditional Christmas foods and customs, let it be known that mince pies originated in 17th century England as oblong replicas of the manger of the Christ Child. Plum pudding began as "furmety," a thin tasteless porridge eaten as penance before attending Christmas Day church service. Well-meaning cooks gradually added the spices and fruit.

The Christmas tree was introduced by St. Boniface, a seventh century missionary in Germany. In preaching to the then-pagan Germans who worshipped the oak tree, he took to planting tiny fir trees as a symbol of the new faith he preached.

Santa Claus was originally Saint Nickolas, a fourth century bishop of Myria in Asia Minor (now southern Turkey). He was venerated because he went round each Christmas distributing gifts to the poor.

Gift-giving at Christmastime dates back to the first Christian churches in Rome. Each Christmas the poor box kept at the back of the church was opened and the donated coins distributed among the poor.

The holly wreath was first hung by Christian as a reminder of Christ's crown of thorns, with the red berries representing His blood.

How to improve your vocabulary

By Tony Randall

International Paper asked Tony Randall—who is on The American Heritage Dictionary Usage Panel, and loves words almost as much as acting—to tell how he has acquired his enormous vocabulary.

Words can make us laugh, cry, go to war, fall in love.

Rudyard Kipling called words the most powerful drug of mankind. If they are, I'm a hopeless addict—and I hope to get you hooked, too!

Whether you're still in school or you head up a corporation, the better command you have of words, the better chance you have of saying exactly what you mean, of understanding what others mean—and of getting what you want in the world.

English is the richest language—with the largest vocabulary on earth. Over 1,000,000 words!

You can express shades of meaning that aren't even possible in other languages. (For example, you can differentiate between "sky" and "heaven." The French, Italians and Spanish cannot.)

Yet, the average adult has a vocabulary of only 30,000 to 60,000 words. Imagine what we're missing!

Here are five pointers that help me learn—and remember—whole families of words at a time.

They may not look easy—and

won't be at first. But if you stick with them you'll find they *work*!

What's the first thing to do when you see a word you don't know?

1. Try to guess the meaning of the word from the way it's used

You can often get at least *part* of a word's meaning—just from how it's used in a sentence.

That's why it's so important to read as much as you can—different kinds of things: magazines, books, newspapers you don't normally read. The more you *expose* yourself to new words, the more words you'll pick up *just by seeing how they're used*.

For instance, say you run across the word "manacle":

"The manacles had been on John's wrists for 30 years. Only one person had a key—his wife."

You have a good *idea* of what "manacles" are—just from the context of the sentence.

But let's find out *exactly* what the word means and where it comes from. The only way to do this, and to build an extensive vocabulary *fast*, is to go to the dictionary. (How lucky, you *can*—Shakespeare *couldn't*. There *wasn't* an English dictionary in his day!)

So you go to the dictionary. (NOTE: Don't let dictionary abbreviations put you off. The front tells you what they mean, and even has a guide to pronunciation.)

2. Look it up

Here's the definition for "manacle" in *The American Heritage*

Dictionary of the English Language.

man-a-cle (mān'ə-kəl) *n.* Usually plural.

1. A device for confining the hands, usually consisting of two metal rings that are fastened about the wrists and joined by a metal chain; a handcuff. 2. Anything that confines or restrains.—*tr. v.* **manacled, -cling, -cles.**

1. To restrain with manacles. 2. To confine or restrain as if with manacles; shackle; fetter. [Middle English *manicle*, from Old French, from Latin *manicula*, little hand, handle, diminutive of *manus*, hand. See **man-2** in Appendix.*]

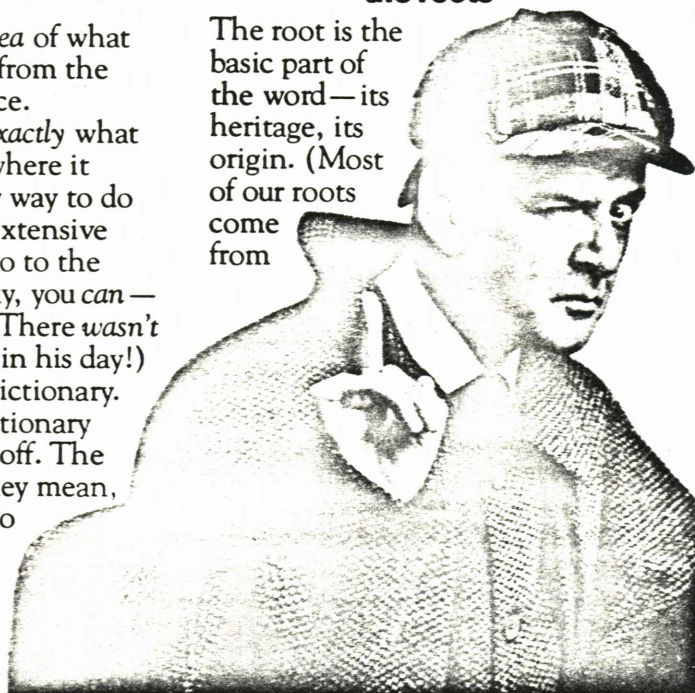

The first definition fits here: A device for confining the hands, usually consisting of two metal rings that are fastened about the wrists and joined by a metal chain; a handcuff.

Well, that's what you *thought* it meant. But what's the idea *behind* the word? What are its *roots*? To really understand a word, you need to know.

Here's where the detective work—and the *fun*—begins.

3. Dig the meaning out by the roots

The root is the basic part of the word—its heritage, its origin. (Most of our roots come from

"Your main clue to remembering a word is its root—its origin."

"Emancipate" has a Latin root. Learn it and you'll know other words at a glance."

Latin and Greek words at least 2,000 years old—which come from even earlier Indo-European tongues!)

Learning the roots: 1) Helps us remember words. 2) Gives us a deeper understanding of the words we already know. And 3)

allows us to pick up whole families of new words at a time. That's why learning the root is the most important part of going to the dictionary.

Notice the root of "manacle" is *manus* (Latin) meaning "hand."

Well, that makes sense. Now, other words with this root, *man*, start to make sense, too.

Take *manual*—something done "by hand" (*manual* labor) or a "handbook." And *manage*—to "handle" something (as a *manager*). When you *emancipate* someone, you're taking him "from the hands of" someone else.

When you *manufacture* something, you "make it by hand" (in its original meaning).

And when you finish your first novel, your publisher will see your—originally "handwritten"—*manuscript*.

Imagine! A whole new world of words opens up—just from one simple root!

The root gives the *basic* clue to the meaning of a word. But there's another important clue that runs a close second—the *prefix*.

4. Get the powerful prefixes under your belt

A prefix is the part that's sometimes attached to the front of a word. Like—well, *prefix*! There aren't many—less than 100 major prefixes—and you'll learn them in no time at all just by becoming more aware of the meanings of words you already know.

Here are a few. (Some of the "How-to" vocabulary-building

books will give you the others.)

PREFIX		MEANING	EXAMPLES	(Literal sense)
(Lat.)	(Gk.)			
com, con, co, col, cor	sym, syn, syl	with, very, together	conform sympathy	(form with) (feeling with)
in, im, il, ir	a, an	not, without	innocent amorphous	(not wicked) (without form)
contra, counter	anti, ant	against, opposite	contravene antidote	(come against) (give against)

Now, see how the *prefix* (along with the context) helps you get the meaning of the italicized words:

• "If you're going to be my witness, your story must *corroborate* my story." (The literal meaning of *corroborate* is "strengthen together.")

• "You told me one thing—now you tell me another. Don't *contradict* yourself." (The literal meaning of *contradict* is "say against.")

• "Oh, that snake's not poisonous. It's a completely *innocuous* little garden snake." (The literal meaning of *innocuous* is "not harmful.")

Now, you've got some new words. What are you going to do with them?

5. Put your new words to work at once

Use them several times the first day you learn them. Say them out loud! Write them in sentences.

Should you "use" them on friends? Careful—you don't want them to think you're a stuffed shirt. (It depends on the situation. You *know* when a word sounds natural—and when it sounds stuffy.)

How about your *enemies*? You have my blessing. Ask one of them

if he's read that article on pneumonoultramicroscopicsilicovolcanoconiosis. (You really can find it in the dictionary.) Now, you're one up on him.

So what do you do to improve your vocabulary?

Remember: 1) Try to guess the meaning of the word from the way it's used. 2) Look it up. 3) Dig the meaning out by the roots. 4) Get the powerful prefixes under your belt. 5) Put your new words to work at once.

That's all there is to it—you're off on your treasure hunt.

Now, do you see why I love words so much?

Aristophanes said, "By words, the mind is excited and the spirit elated." It's as true today as it was

"The more words you know, the more you can use. What does 'corroborate' *really* mean? See the text."

when he said it in Athens—2,400 years ago!

I hope you're now like me—hooked on words forever.

Tony Rudall

I shall go by lightly,
Grasses, do not fear;
I shall step so softly
You will scarcely hear.

I shall touch you gently,
Fern and moss and leaf,
Cedars dark and silent
Shall not look on in grief.

Birch and ash and alder,
Pine against the sky,
There is none so frightened,
None so small as I,

Who ventured here undaunted
Thinking not to stay
Who came to look on beauty
And cannot go away.

FROM THE CAMPUS MINISTRY OFFICE

Keep your evening free on February 24th for our celebration, I BELIEVE IN LOVE.

On Ash Wednesday, February 12th, we will have Mass at 5:15 p.m in the chapel on third floor of the Mansion. Everyone is invited to join us in this special liturgy which marks the beginning of Lent. This season of the church year before Easter is set aside as a time of personal and communal growth. Just as nature around us comes to life out of the hidden colors of winter, so we, too, seek to bring to new awareness and beauty the life of God within us. Will I be open to the work of the Master Painter in my life?

Empty canvas waits before the painter.

It waits to be the painting it must be.

Unto this end it has rightfully been created:

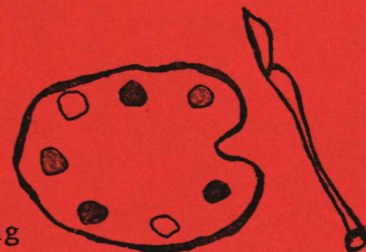

TO REFLECT RIGHTFULLY WHAT THE PAINTER SEES.

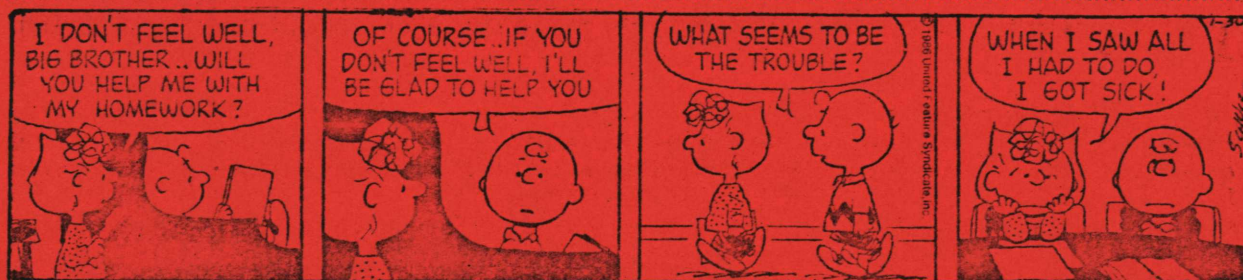

A beauty that will surely find its life within its dying
so another might be born again.

And in this constant death a constant beauty is created
within a constant love that never ends.

Jesus is the Master Painter and the Holy Spirit is the Master's brush
to be dipped within the colors that portray a Father's love
that the Master's painting might be born in us.
That the canvas of our life might know the Master's touch
to portray the beauty of the Master's Brush.

(John Michael Talbot)

It is also the final day to change from lower to upper division credit (or vice versa) in any class, and to file Independent/Directed Study forms and Internship forms. Classes may be added or forms filed after this date only in exceptional circumstances and with the consent of the dean. A late fee of \$10 will be charged.

ATTENTION LIBERAL ARTS STUDENTS

If there are ANY Liberal Arts students who would like to join in planning the direction/activities of this group, please Come. Here's your chance to get involved .

MEETING: Friday, February 21, 12:00 p.m. Bldg. 7
Be There!

FROM STUDENT SERVICES

I.D. CARDS

All new students are reminded to come by Bldg. 7, Rm. 4, as soon as possible to get their I.D. pictures taken. The deadline will be Friday, February 21. Be sure to get yours. (Any continuing students who have lost their I.D. may get a new one for the replacement charge of \$2.)

LOCKERS

Any commuter still wishing a locker in Bldg. 4 may get one by dropping by Bldg. 7, Room 4 during the week.

PARKING

All students and staff are reminded that they should park between the double yellow lines when parking on the campus streets. Parking over the lines means that some of you are taking up two slots and thereby limiting the number of cars which should be able to park. Please be considerate.

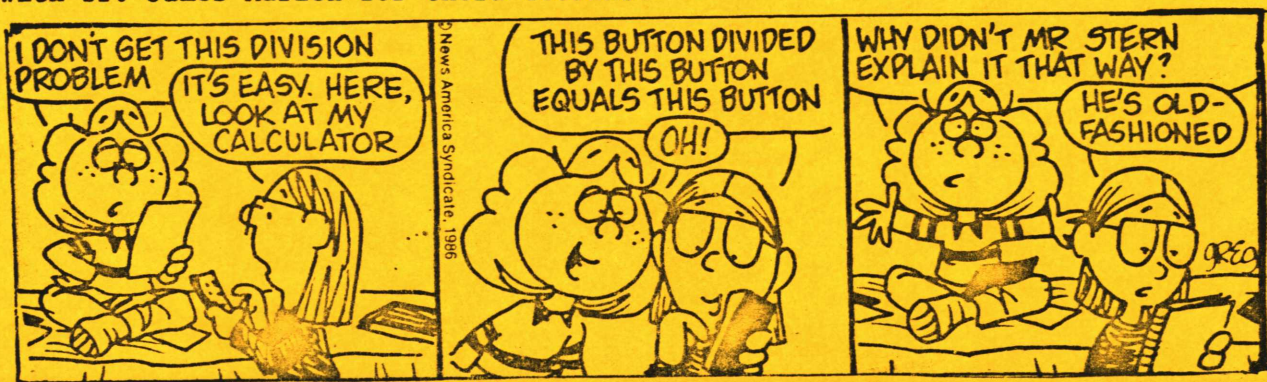

NEW STUDENTS

Please be sure to come by Bldg. 7 for your Doheny Student Handbook and Health forms for USC. It is most important that you have these if you have not already taken care of them.

Also, we are planning to have a reception of welcome for our new Interterm and Spring students in the coming week. Please check the 48-Hour Board for more information.

GRADUATION COMMITTEE

The time is here for the organizing of the 1986 Graduation Committee and its various sub-committees. If any of you are interested in serving, or would like to get more information, please drop by Bldg. 7 this coming week. Applications will be available at the receptionist's desk, and you can check with Sr. James Marien for extra details.

FROM THE CAMPUS MINISTRY OFFICE

Only one week until "I Believe in Love"! Please leave your RSVP in the box at Bldg. 7 or the Lobby of McIntyre. We surely hope you can come!

The season of LENT is a time set aside for us to deepen our awareness of the tremendous love God has for each of us and the many ways He makes himself known in our lives. Take a few moments each day (and maybe even a little more...) to listen, to be with Him. You may decide that you would like to celebrate at Mass more often during these days. The schedule of Masses is listed in each building and outside of the Chapel. It would be wonderful to have you worship with us.

A PRAYER OF FAITH

God, loving Father, you speak to us through nature and the seasons of your creation, as every day we see your glory reflected in the beauty of the mountains, in the flowers, in the thunder and in the rainbow.

You speak to us through the people of today, the young and the old, the sick and the healthy, the happy and the lonely, as each one of them is a reflection of you.

Most of all, Father, you speak to us through pain and crisis as those are the experiences that shape us and change us. Enable us, O Lord, to assign meaning to our sufferings by recognizing what they are teaching us about life, about you, about us, about others.

Help us understand that when we hurt, you hurt with us; when we cry, you cry with us; when we hope, you hope with us.

Amen.

"Be compassionate, as your heavenly father is compassionate..."

Our God is a compassionate God... He has chosen to be God-With-Us. When Jesus saw the crowd harrassed and dejected like sheep without a shepherd, he felt with them in the center of his being... When he saw the blind, the paralyzed, and deaf being brought to him from all directions, he trembled from within and experienced their pains in his own heart... When he noticed that the thousands who had followed him for days were hungry, he said, "I am moved with compassion"... and so it was with the two blind men who called after him... the leper who fell to his knees in front of him, they made him feel with all his intimate sensibilities the depth of their sorrow...

He became lost with the lost, hungry with the hungry, and sick with the sick... In him all suffering was sensed with perfect sensitivity... He who is divine lives our broken humanity not as a curse... but as a blessing.

(Henri Nouwen, Compassion)

COLLEGE EVENTS

ROAD TO BETHANY

Once again, it is our pleasure to present the author/actor, Robert Macklin, for a one-man chancel drama. This year Mr. Macklin will present his ROAD TO BETHANY, a passion play capturing the spirit and warmth of the man called Jesus. We offer this in conjunction with the season of Lent as a prayerful and entertaining look at Jesus just prior to his passion and death. It is a very fitting way to celebrate the season and the upcoming joys of Easter.

Mr. Macklin will be here on Thursday, February 27, at 7:00 p.m. in Our Lady of Mercy Chapel. The drama lasts about 45 minutes and is meant to have a true impact on each viewer. Please join us on Thursday. Admission is free, and guests are welcome.

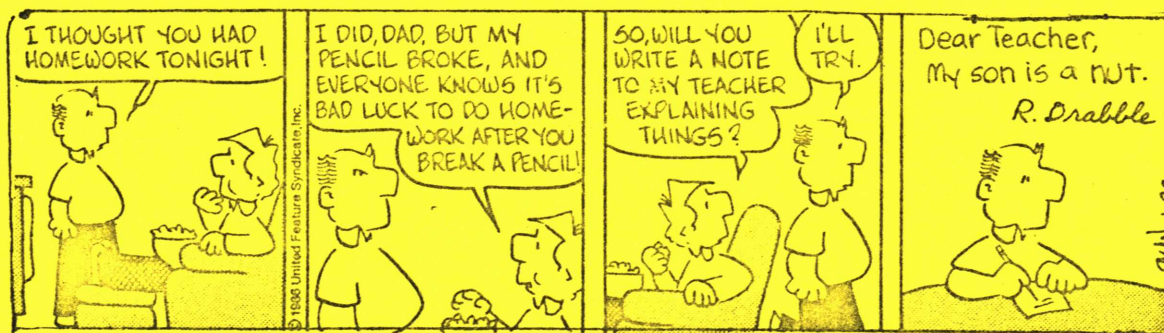

60th ANNIVERSARY EVENTS

In this, the 60th Anniversary year of Mount St. Mary's, we have planned a combination of events for the Siena Day All-College academic event. The focus of both -- the Larkin lectures and the Sequentia -- is women mystics and spirituality. While this may sound a bit "heavy" and out of your league, they both are guaranteed to be interesting and entertaining.

Larkin Lectures: The speaker will be Alexandra Kovats, CSJP, Associate Director of the Institute in Culture and Creation Spirituality, Holy Names College. The Lectures will take place on February 25 and 26 in the Campus Center at Chalon. (FREE)

Sequentia Musical: Medieval Music by Candlelight presented in Mary Chapel on the Chalon Campus on March 4 and 5. Presented by an innovative Cologne-based ensemble, the group will produce ORDO VIRTUTUM, by the Abbess Hildgarde von Bingen, a woman mystic of the 12th century. Known as a poet and musician, Hildegarde also was involved in medicine, botany, philosophy and theology, at a time when few women are even noted in the history books. FROM THE DEAN'S OFFICE

"Student of the Month" Nominations

We would like to give public recognition to students who are outstanding on the Doheny Campus. Each month we will include a nomination form so that anyone can nominate a student who you think deserves recognition: a student who contributes to the College by helping other students; who initiates and follows through on projects; or who volunteers her time either in the civic community or at the College, in addition to being academically motivated. We encourage you to participate in this recognition program. Two nomination forms are attached to this issue of Doheny Happenings. Please complete a nomination form (or two) and return to the Dean's Office in #10.

STEP Early Warning Notices

If you are experiencing academic difficulty, faculty will be giving you a STEP Early Warning Notice during the next two weeks. This is only a warning and will give you a chance to improve by mid-semester.

FROM THE ASSISTANT DEANCareer Center

The Career Center hours for the Spring Term are from 9:00 a.m. - 3:00 p.m. Please help us to assist you by signing in whenever you visit the Center. Dr. Keeler is available by appointment to review resumes and cover letters. Make an appointment at the Career Center or call Ext. 2128. Please note that Dr. Keeler will be at an Experiential Education Conference March 2-4, and will return to campus on Wednesday, March 5.

Internships

Brochures describing our Internship Program, "Partners in Education," are available in Building 7 and 10. As stated in the February 1986 Changing Times magazine, employers want graduates with "real-world" skills and experience to complement their academic education" (p. 42). START THINKING ABOUT A SUMMER INTERNSHIP NOW!

FROM THE ADVISEMENT CENTERTransfer to Baccalaureate Program/Chalon

Any student who is planning to transfer must obtain a PROGRAM CHANGE APPLICATION FORM from the Registrar's Office in #10. Get one now; make an appointment with your advisor soon; (Because advisors are not necessarily available daily, it is important to check for their office hours and plan ahead to meet with them.) DO NOT WAIT UNTIL THE DEADLINE! Please be sure you get the Dean's signature as well as that of your advisor. FORMS MUST BE COMPLETED AND RETURNED TO YOUR ADVISOR BY Friday, March 21. (The last Friday of March is Good Friday, NO CLASSES.)

Admission into the Clinical Nursing Program

All Mount St. Mary's College students applying for Fall 1986 admission into the Clinical Nursing Program are required to complete applications. APPLICATIONS may be picked up from Sister Rose Leonard in the Advisement Center at Doheny, Bldg. 7, or from Sister Carol at Chalon, H411. Transfer students, as well as freshmen, are required to complete applications in order to be considered for acceptance into the Nursing Department. These forms are due by March 14, 1986 AT DOHENY (to allow time for getting to Chalon) and March 17 at Chalon.

FROM STUDENT SERVICES

DELTAS

All members of the Delta Service Sorority are asked to be sure that their work/service records are handed in at Office 4 of Bldg. 7. Several members did so in December, but others have no forms on file. Do as soon as possible so that credit can be given. A BIG event is on the horizon, and the necessary jobs will be given to those with a "service record".

Anyone wishing to join the Deltas for the first time is welcome to apply in Bldg. 7, Office 4. The Deltas are the official hostess group of the Doheny Campus and serve in a variety of capacities for events at the College. More information is available.

AN ALL-COLLEGE EVENT

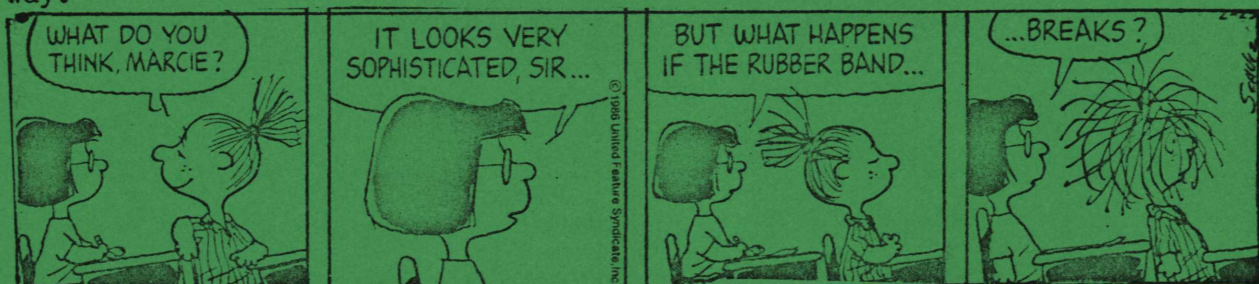

SEQUENTIA

In keeping with the celebration of Women's History Week (Mar. 2-8), the Mount is presenting SEQUENTIA, an innovative Cologne-based ensemble, doing the ORDO VIRTUTUM by the Abbess Hildegarde von Bingen. This is the Los Angeles premiere of this great 12th century music drama.

The program will be presented on Tuesday, March 4, and Wednesday, March 5, at 8:00 p.m. in the Chapel on the Chalon Campus. Tickets are available at \$10., \$15., and \$20. (However, we still have a few \$5. tickets if people are interested. Contact Sr. James Marien in Office 4, Bldg. 7.) It is sure to be an event to remember, one of "Medieval Music by Candlelight", a performance which has already been well-received on the European continent.

FROM THE ASB OFFICE

We will be meeting on Monday, March 3, at 6:15 p.m., in the ASB Office in Ahmanson Commons. NEW MEMBERS are welcome. There is much to be planned, especially with our HAPPY BIRTHDAY TO THE MOUNT STREET DANCE coming up on April 30th, the Graduation Luau Party, and many more surprises on the way!

Office of the Archbishop

February 20, 1986

Dear Faculty, Staff, and Students
of Mount St. Mary's College:

As you gather together for your evening of renewal, please be assured
of my very special prayers.

To come together in a union of prayer, sharing with each other the
love of our Father, is truly a great grace. It is a great joy for
me to watch as the members of our Local Church strive to further
enrich their spiritual lives, thus strengthening the total Church
community, and I am confident that our Lord responds to these calls
to deepen our relationships with Him.

Asking the Lord's blessings upon you that through your evening of
spiritual renewal you will come to feel even more strongly the love
of our Father and His presence in your lives and that you will in-
corporate this love into your daily lives and ministry, and with
kindest personal regards, I am

Sincerely yours in Christ,

+ Roger Mahony

O Lord God,
I have no idea where I am going.
I do not see the road ahead of me and
I cannot know for certain where it will end.
Nor do I really know myself.
And the fact that I think I am following your will
Does not mean that I am actually doing so.
But I believe that the desire to please you does in fact please you.

Therefore I will trust you always.
I will not fear for you are ever with me
You will never leave me to face my perils alone.

On Wednesday, Sister James Marien spoke on study skills at St. Genevieve High School in Van Nuys. The following day, Sister Rose Leonard and Sister Joseph Adele talked respectively about reading and writing across the curriculum at Our Lady of Loretto High School in Los Angeles. Both responses were a part of the Mount's continuing effort to improve academic articulation between high school and college.

Accreditation Visit

As many of you know colleges in California receive accreditation from the Western Association of Schools and Colleges. Mount St. Mary's College has a ten year accreditation, which is the longest you can receive. At the mid-point of that accreditation, a team visits the College to determine the progress of any recommendations made. On March 19 an accrediting team of three will be visiting our campus. Student leaders, other students, faculty and staff will be meeting with them.

Please respond to any questions they may ask.

I know they will be impressed with our Doheny spirit of friendliness and warmth.

The team members of the WASC team are: Dr. Patsy Sampson, Chairman, President of Stephens College, Columbia, Missouri; Dr. Dorothy M. Goldish, Professor of Chemistry, California State University, Long Beach; Dr. Auturo Madrid, President of Tomas Rivera Center, Claremont Graduate School, Claremont, California.

ASKING FOR LETTERS OF RECOMMENDATION

Faculty members are happy to write letters of recommendation to help you obtain a scholarship, a job, an internship, or acceptance at a graduate school. But remember that, when you ask for one, you need to observe a few points of courtesy and thoughtfulness.

1. GIVE INSTRUCTORS ENOUGH TIME TO WRITE YOUR LETTER.
They are glad to help you, but dropping off an address in the morning and saying that the deadline for mailing is that afternoon is not only unfair to the instructor but disastrous for your chances of getting what you're applying for.
2. GIVE INSTRUCTORS YOUR FULL NAME.
Your form may be the fourth one received that day, so be sure your full name is on it.
3. LET INSTRUCTORS KNOW WHY YOU NEED THE LETTER.
Is it for a scholarship, internship, job, acceptance to graduate school? It makes a difference for the person writing the letter.
4. REMIND INSTRUCTORS ABOUT YOUR ACTIVITIES AND ACCOMPLISHMENTS.
Your history or chemistry teacher may not know about your ASB involvement or your volunteer work at Juvenile Hall, so jot down this information for them, and your letter will be much more interesting--and much more descriptive of you.
5. PROVIDE A CLEAN, FRESH, ADDRESSED, AND STAMPED ENVELOPE.
You don't want your letter to arrive in a tacky envelope because that makes you look tacky, too. And if instructors take time to write a recommendation, you wouldn't want them to spring for the postage, would you?

A Scripture Reading from Exodus 3:7-10

Then the LORD said, "I have seen how cruelly my people are being treated in Egypt; I have heard them cry out to be rescued from their slave drivers. I know all about their sufferings, and so I have come down to rescue them from the Egyptians and to bring them out of Egypt to a fertile and spacious land, one which is rich and fertile and in which the Canaanites, the Hittites, the Amorites, the Perizzites, the Hivites, and the Jebusites now live. I have indeed heard the cry of my people, and I see how the Egyptians are oppressing them. Now I am sending you to the king of Egypt so that you can lead my people out of his country."

Lord, we commit
our time,
our energy,
our talents,
our gifts,
even our limitations,
failures
and very selves
to the cause of justice and
peace in Central America.

We join our lives with those
who support the struggle for life.

The Hope For Peace In Central America

Central America Week
March 16-24, 1986

All: May the memory of wars strengthen our efforts for peace;
May the memory of those who died inspire our service to the living;
May the memory of past destruction move us to build for the future;
O God of Peace,
O Compañero of our souls,
O Builder of Love and Justice in this world.

Amen.

Testimony of an 18 year-old woman in El Salvador:

"On February 24, there was a military operation along the road from Suchitoto to the lowlands and the highland areas. There were eight helicopters, two A-37s (fighter bombers) and a plane we call "El Tuncon" (C-47) which is black and machine-guns us. The helicopters transported troops.

"At six in the morning they came to bomb. People came to tell us to leave our homes. They said the helicopters were transporting troops. *We fled beneath the bombs, it was life or death.* Where the helicopters landed they killed a man, 45, when he tried to run away.

"The soldiers advanced to Mirandilla (Suchitoto), destroying everything in the houses they found like pots or containers. They burned clothes and houses too. But thank God no one was killed by the bombs, only the man they shot was killed . . .

They come day and night to bomb, and lately the invasions have been every month or 15 days."

AN EASTER MESSAGE FROM THE OFFICE OF THE DEAN

May the Spirit of Peace and Joy and Hope
that characterizes this Resurrection Season
find echo in your hearts.

Have a Happy Easter and relaxing holidays!
Sister Kathleen Kelly

Dear Doheny Campus Community,

We are grateful to all of you who shared our Feast of St. Joseph
last Wednesday. Your greetings throughout the day and your presence at the
Mass and Reception made our celebration an even happier occasion.

Special thanks go to the students who planned these two events in
our honor. You thought of everything: banners, flowers, music, pictures, and
Offertory gifts.

May St. Joseph, our patron, bless each of you!

The Sisters of St. Joseph at Doheny

Bring a typed or neatly printed copy of your resume to Dr. Keeler's office (Bldg. 7). The resume will be returned with suggestions for revision, layout, etc.

Internships

Sometimes the best way to guarantee a high paying job is to do a non-paying Internship during the summer. If you are willing to volunteer over the summer, contact Dr. Keeler by leaving your name, degree objective, first, second and third choices for summer placement, the city where you will be living during the summer, and a telephone number where you can be reached now.

The award will be presented at a dinner during the convention. There will be another dinner with journalists and those involved with reading the paper. The article will be published in Imprint, the official paper for the National Student Nurses Association. Congratulations, Michele!

FROM THE CAMPUS MINISTRY OFFICE

Our weekly shared prayer sessions will resume this week. Please note signs posted. Everyone is welcome at anytime.

April 20th is Vocation Sunday. It is a day set aside for each of us to reflect on our individual call in life. How am I using my unique gifts to make God's presence known in the world?

The year 1986 has been declared the International Year of Peace. The words of Mother Teresa from a letter to her co-workers seems appropriate:

We shall make this year a year of Peace in a particular way--to be able to do this we shall try to talk more to God. Let us preach the peace of Christ like he did. He went about doing good; he did not stop his works of charity because the Pharisees and others hated him or tried to spoil his Father's work. He just went about doing good. Cardinal Newman wrote: "Let me preach Thee without preaching, not by words but by my example--by the catching force; the sympathetic influence of what I do, the evident fullness of the love my heart bears to thee." Our works of love are nothing but works of peace. Let us do them with greater love and efficiency--each in her own or his own work in daily life; in your home--in your neighbor. It is always the same Christ who says:

I was hungry--not only for food, but for peace that comes from a pure heart.

I was thirsty--not for water but for peace that satiates the passionate thirst of passion for war.

I was naked--not for clothes, but for that beautiful dignity of men and women for their bodies.

I was homeless--not for a shelter made of bricks, but for a heart that understands, that covers, that loves.

This year let us be this to Christ in our neighbor. Let us radiate the peace of God and so light his light. Let us meet God with a smile.

FROM THE RESIDENCE OFFICE

DEPOSITS FOR '86-'87: The time is swiftly approaching for the payment of the room deposit for those wishing to live in Residence on either the Doheny or Chalon campus in the Fall. (We use the same starting date so that priorities can be given equally.) You can pay the deposit in our Business Office anytime after the starting date. Watch for signs designating specifically when this will be. The deposit is still a reasonable \$75.00 -- start gathering the amount now so that you will be ready.

RESIDENT ASSISTANTS: Students wishing to apply for RA for the coming year can pick up application forms beginning Monday, April 14, in Bldg. 7. All information needed is on the cover sheet of the application packet.

FROM STUDENT SERVICES

GRADUATES!

Have you handed in your packets which were due last Thursday? If not, it is important that we get them -- even late! We need to know your plans to be able to better organize the celebration! Bring it to Bldg. 7 right away.

In addition, please be sure that you get the ballot available this week for the voting on the Doheny Student Speaker for Graduation. They will be available in Bldg. 7 if you do not receive one directly. Also, be sure to check the Graduation Board in Bldg. 4 for any additional notices./

SPRING FAIR TIME!

What would Spring be without our Annual Doheny Spring Fair? This year we are a little on the late side, but that just gives us all a chance to prepare a bit more and save our money too. The date is Thursday, May 1, 1986; the place is the patio outside of Bldg. 4 (or "under the linden tree"); and the time is from 11:30 a.m. to 1:00 p.m.

For those of you who have not experienced one of our Fairs (or if you have forgotten), let me give you an idea of what it is. We provide a series of booths from various departments, clubs, or individuals who have an item or a service to sell. The profits of each booth go to the person/group doing the selling. In the past we have had booths featuring different foods, special crafts, white elephants (ask Sr. Joseph Adele about this), and fortune-telling. The idea is to provide a fun-filled activity where all of us can mix, mingle, and buy! Applications for a booth are available in Bldg. 7-- or drop by to ask questions if you need more information. The time is approaching -- so join us in this fun adventure!

BLOOD MOBILE TIME!

The time is here to give a bit of life so that others may live! The Annual Spring Blood Drive will take place in Donohue this Wednesday, April 16, from 9:30 a.m. to 2:30 p.m. The sign-ups are going slow, and we do want to make a good showing for Doheny. If you haven't signed for an appointment as yet, the lists are available on the board in Bldgs. 4 and 7. Donors with appointments are preferred, but we do accept all drop-ins too. Anyone who wishes to give will be welcome! Come on Wednesday and help others in need!

"Outstanding Student of the Month" - Nominations

We would like to give public recognition to students who are outstanding on the Doheny Campus. We encourage you to participate in this recognition program. Two nomination forms are attached to this issue of Doheny Happenings. Please complete a form and return it to the Dean's Office in #10.

The Campus Ministry Board will meet Monday, April 28th at 6:30 p.m. in Bldg. 7. to plan next year's calendar. You may join us, if you wish, or stop by the office with your ideas.

Books on spiritual and personal growth are available to be checked out in the Campus Ministry Office. One that might interest you is DREAMS, A WAY TO LISTEN TO GOD by Morton Kelsey. He believes our dreams have much to offer us:

"Those who take their dreams seriously often find that they are led into a deeper understanding of the spiritual world. As they bring their dreams before their inner center in meditation, they often find insights into their lives and a way to come closer to their meaning, to their God. The dream, properly understood can lead us on our inner quest because the dream reveals a part of reality that He has created. God has created the physical world and the spiritual one. God gives us the dream as one way of discovering the nature of that world and our kinship with it...As we seriously consider our dreams, most of us can come to a relationship with the Dreamer within, the One who gives us the dream. I would suggest again that this Dreamer within is none other than the Holy Spirit. He helps us see ourselves as we really are and even gives us a picture of what we can become..."

FROM THE ASB OFFICE AND RESIDENCE COUNCIL

Our Happy Birthday to the Mount Dinner, Fashion Show and Street Dance is only a few days aaway. Damone's will be sponsoring the fashion show with our very own student models. The Mariachi, Jazz Band and DJ should more than satisfy any musical taste! Admission tickets are available for the early purchase price of \$2.00 in Bldg. 7. Tickets will also be sold at the door for \$3.00. Dinner will be available for purchase--resident students will receive dinner tickets from Sister James Marien for use at the event. PLEASE BRING ALONG FAMILY AND FRIENDS--APRIL 25TH WILL BE AN EVENING EVERYONE WILL ENJOY!

FROM THE RESIDENCE OFFICE

DEPOSITS!

The Business Office has started collecting the \$75.00 room deposit for the Fall. There is no final due date, but priority for room choice and reservations is given by the date paid. Since the list of prospective students for '86-'87 is already quite long, the chance of a full residence is very possible. (You are reminded that the room deposit is non--refundable, so be sure you have given your plans thought before paying it. Also, if you are completely new to residence, be sure to pick up an application form from the office in Bldg. 7. Current residents will receive forms in their mailboxes in the near future.) Direct all questions to Sister James Marien.

FROM THE STUDENT SERVICES OFFICE

SPRING FAIR!

Have you had some time to give it thought? Do you have a unique service to offer. Do you have some talent that you might like to share or some homemade items that you might wish to sell to make some extra cash? If the answer to any of these is YES, we are looking for you to participate in our Spring Fair on Thursday, May 1, from 11:30 a.m. to 1:00 p.m. outside of Bldg. 4 "under the linden tree". Plan to join us on that day and share in the fun of the start of Spring at Doheny. (Applications are available in Bldg. 4).

FROM THE DEAN'S ADVISORY BOARD

An exciting event will be taking place on Saturday, May 17, from 12 noon until 4 p.m. in front of Bldg. 4, the patio area. It's the "Farewell Gathering" and everyone is welcome! Before this semester ends we, the Dean's Advisory Board, would like everyone to enjoy this day. And for those of you who wish to swim or play tennis, the pool and tennis court will be reserved just for you! (There will be a few extra tennis rackets that the Mount can supply.) Fruit cocktail and punch will be served at 1:30. There'll be some food too! For those of you who work on Saturdays, we'd really like you to join in on the fun and so if possible, request this day off. It is the "farewell gathering for all"! That means you too, faculty!

FROM THE REGISTRAR'S OFFICE

REMINDER TO ALL STUDENTS.....Monday, May 5, is the LAST DAY to withdraw from a Spring class with a grade of "W" (\$2 fee required). May 5 is also the last day to file for Credit/No Credit grading or declare Audit. Any forms filed after May 5 will require special approval from the department in which the course is taught and the Dean, and a late penalty of \$10 will be charged. FAILURE TO OFFICIALLY WITHDRAW FROM A CLASS MAY RESULT IN A GRADE OF "F".

OUTSTANDING DEBTS

All outstanding debts, including past-due penalties, must be paid before May 15. This includes tuition, fees, loans, parking and library fines and bounced Checks. Graduates who make payments after May 15, will not receive clearance unless payment is made in cash or money order. Failure to make payments owed to the College is considered sufficient cause to 1) bar the student from classes or examinations; 2) withhold diploma, scholastic certificate, or transcript of record; and/or 3) suspend the student.

FROM THE DEAN'S ADVISORY BOARD

We would like to update you on the "Farewell Gathering" scheduled for Saturday, May 17th. Our location has changed. It will be in the South Gardens (next to the tennis court). The is for our "Doheny Community". We encourage and desire our faculty to be present!

Ladies of the 80's, make this your day to enjoy with all your friends and faculty.

FROM THE CAMPUS MINISTRY OFFICE

Hands Across the Nation meeting for all interested in taking part in this very important event on May 25th, at noon, will be held in Bldg. 7 at 6:30 p.m., on Thursday, May 1. See information posted in Bldg. 4.

Our weekly SHARED PRAYER session is Wednesday, April 30th, from 6:30 to 7:00 p.m., in Bldg. 7. We are always happy to have newcomers join us!

Board Members, please remember to let Sr. Kathleen know if you plan to attend our beach party so we can plan for food.

A time for peace is God's gift to those who see life as a vast, unexplored lightly, bounded by no horizons, open to its Creator. It is Christ's grace for those who can speak their hope in turmoil:

In spite of it all, I lived. I took my chances and made risky decisions. I always found someone to love, someone who gave me hope. My faith in God tells me I will never run out of people to love, never meet a disaster so total that I will be justified in my despair. I have lived and I cannot accept the fact that there was no point to this. I have lived and I refuse to believe that there is not a God to hear the story of my life when that life is finished. I refuse to believe that no one kept time for the world and that there is not someone to keep my heart when I have nowhere else to place it. My courage came from life, my faith from a refusal to die, my hope from the moments of peace and love I found. All the things I never expected, happened. I did not expect to be alive or expect that there had to be a God. I did not expect love, and I did not expect a human family beyond the family I knew as a child. For these reasons, I believe that there will always be a time for peace and that one day peace will never end.

Anthony Padavano

A few thoughts on Mary, the mother of Jesus, whom we celebrate during this month:

Mary figured profoundly in the history of salvation and in a certain way unites and mirrors within herself the central truths of the faith. Hence, when she is preached and venerated, she summons the faithful to her Son and His sacrifice, and to love for the Father. Seeking after the glory of Christ, the Church becomes more like her exalted model, and continually progresses in faith, hope and charity, searching out and doing the will of God in all things. Hence the Church in her apostolic work also rightly looks to her who brought forth Christ, conceived by the Holy Spirit and born of the Virgin, so that through the Church Christ may be born and grow in the hearts of the faithful.

(Constitution on the Church)

Queen of heaven, rejoice, Alleluia!
For the Lord whom you were worthy to bear, Alleluia!
Has risen as He said, Alleluia!
Pray for us to God, Alleluia!

FROM STUDENT SERVICES - END OF THE YEAR THANKS!

Special thanks to all the wonderful Deltas who donated so many hours of service to the hostess affairs of the Campus. Many of the events could not have even been held without you, and none of them would have been nearly so successful!

Thanks too to all the helpers who made the Spring Fair a success. Without the games, good, buyable items, it would have been impossible to share such a delightful afternoon. (Of course all the buyers were appreciated too!)

GRADUATES! - Just one last reminder to be sure that you check the boards during the week for any last minute reminders concerning the ceremonies. Times for practice are posted too, just in case you forget.

Undergraduates! You are invited to participate in the ceremonies related to graduation, especially to the Hooding and Awards ceremony on Saturday here at Doheny. The festivities begin at 2:00 p.m. Come if you can to share in the final event of the academic year.

FROM THE ADVISEMENT CENTER

EARLY ADVISEMENT/REGISTRATION

RETURNING students will not be advised nor be able to file their registration forms July 31 through September 4. Plan ahead; FILE EARLY. As we begin to advise the incoming students, classes will fill up and if you have not filed early, you may not get the classes you planned to take. REMEMBER: NO FILING, NO ADVISING FROM JULY 31 through SEPTEMBER 4. (NOTE THE DATE ON YOUR 1986-1987 CALENDAR).

SUMMER SCHOOL

If you are planning to attend classes during the summer to "make up" classes or to get "pre-requisites" completed, you need to obtain a TRANSFER OF CREDIT CLEARANCE FORM from the REGISTRAR'S OFFICE, Bldg. 10. This form has to be signed by YOUR ADVISOR after it has been verified that the course(s) satisfy MSMC requirements.

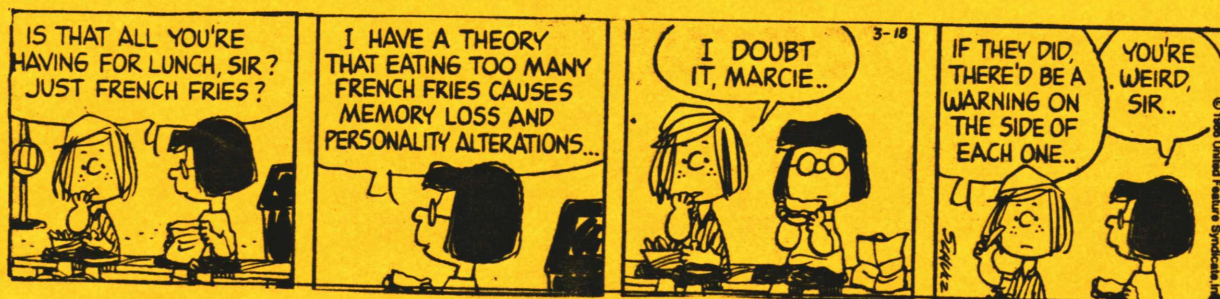

If you are repeating a course, you ALSO need the REPETITION OF COURSE form. ANOTHER THING to consider: Are you getting close to graduation? If so, REMEMBER, the last 24 units have to be at MSMC before A.A. graduation, so if you are planning to attend summer school, you ALSO need a PETITION to waive the requirement and to get the College's approval to count those units towards your graduation.

Since most advisors will not be on campus much of June, it would be very helpful to phone ahead before coming on to campus to get signatures, etc. The Advisement Center will do the paperwork for transfer of credit clearance and for those whose advisors are not on campus, but PLEASE phone ahead. Sister Rose Leonard will not be on campus June 11 through 17 and June 23 through 27. If you need signatures for TRANSFER OF CREDIT CLEARANCE Forms and your advisor is not available, please go to the Registrar's Office and Sister Patricia will sign during this time only.

PLEASE PLAN AHEAD! Don't forget to do this necessary PAPER WORK for your FALL classes, and if necessary, for SUMMER CLASSES.

FROM THE CAMPUS MINISTRY OFFICE

A VERY WARM THANKS TO EACH OF YOU WHO SHARED IN OUR EVENTS THIS YEAR. We look forward to serving you again next year. Have an enjoyable, renewing summer. God bless!

My being proclaims the greatness of the Lord,
 My spirit finds joy in God my savior,
 For he has looked with favor upon his servant;
 All ages to come shall call me blessed.
 God who is mighty has done great things for me;
 Holy is his name;
 His Mercy is from age to age on those who fear him.

He has shown might with his arm;
 He has confused the proud in their inmost thoughts;
 And raised the lowly to high places.
 The hungry he has given every good thing;
 While the rich he has sent away empty.
 He has upheld Israel his servant ever mindful of his mercy;
 Even as he promised out fathers, Abraham, and his
 descendants forever.

 Luke 1: 45-55

GRAD EXPECTATIONS: Commencement is an interesting concept; it signifies an end, but its name insists it's a beginning. When you're pondering ends and beginnings, weigh the words of Bryn Mawr College's 1985 commencement speaker, the unsinkable Katherine Hepburn: "I wish that I could give you some great advice which could protect you from the combination of terror and joy which must assail you at this particular point in your lives. You go out. You get knocked down. You get up. And you go on."
